Dedication

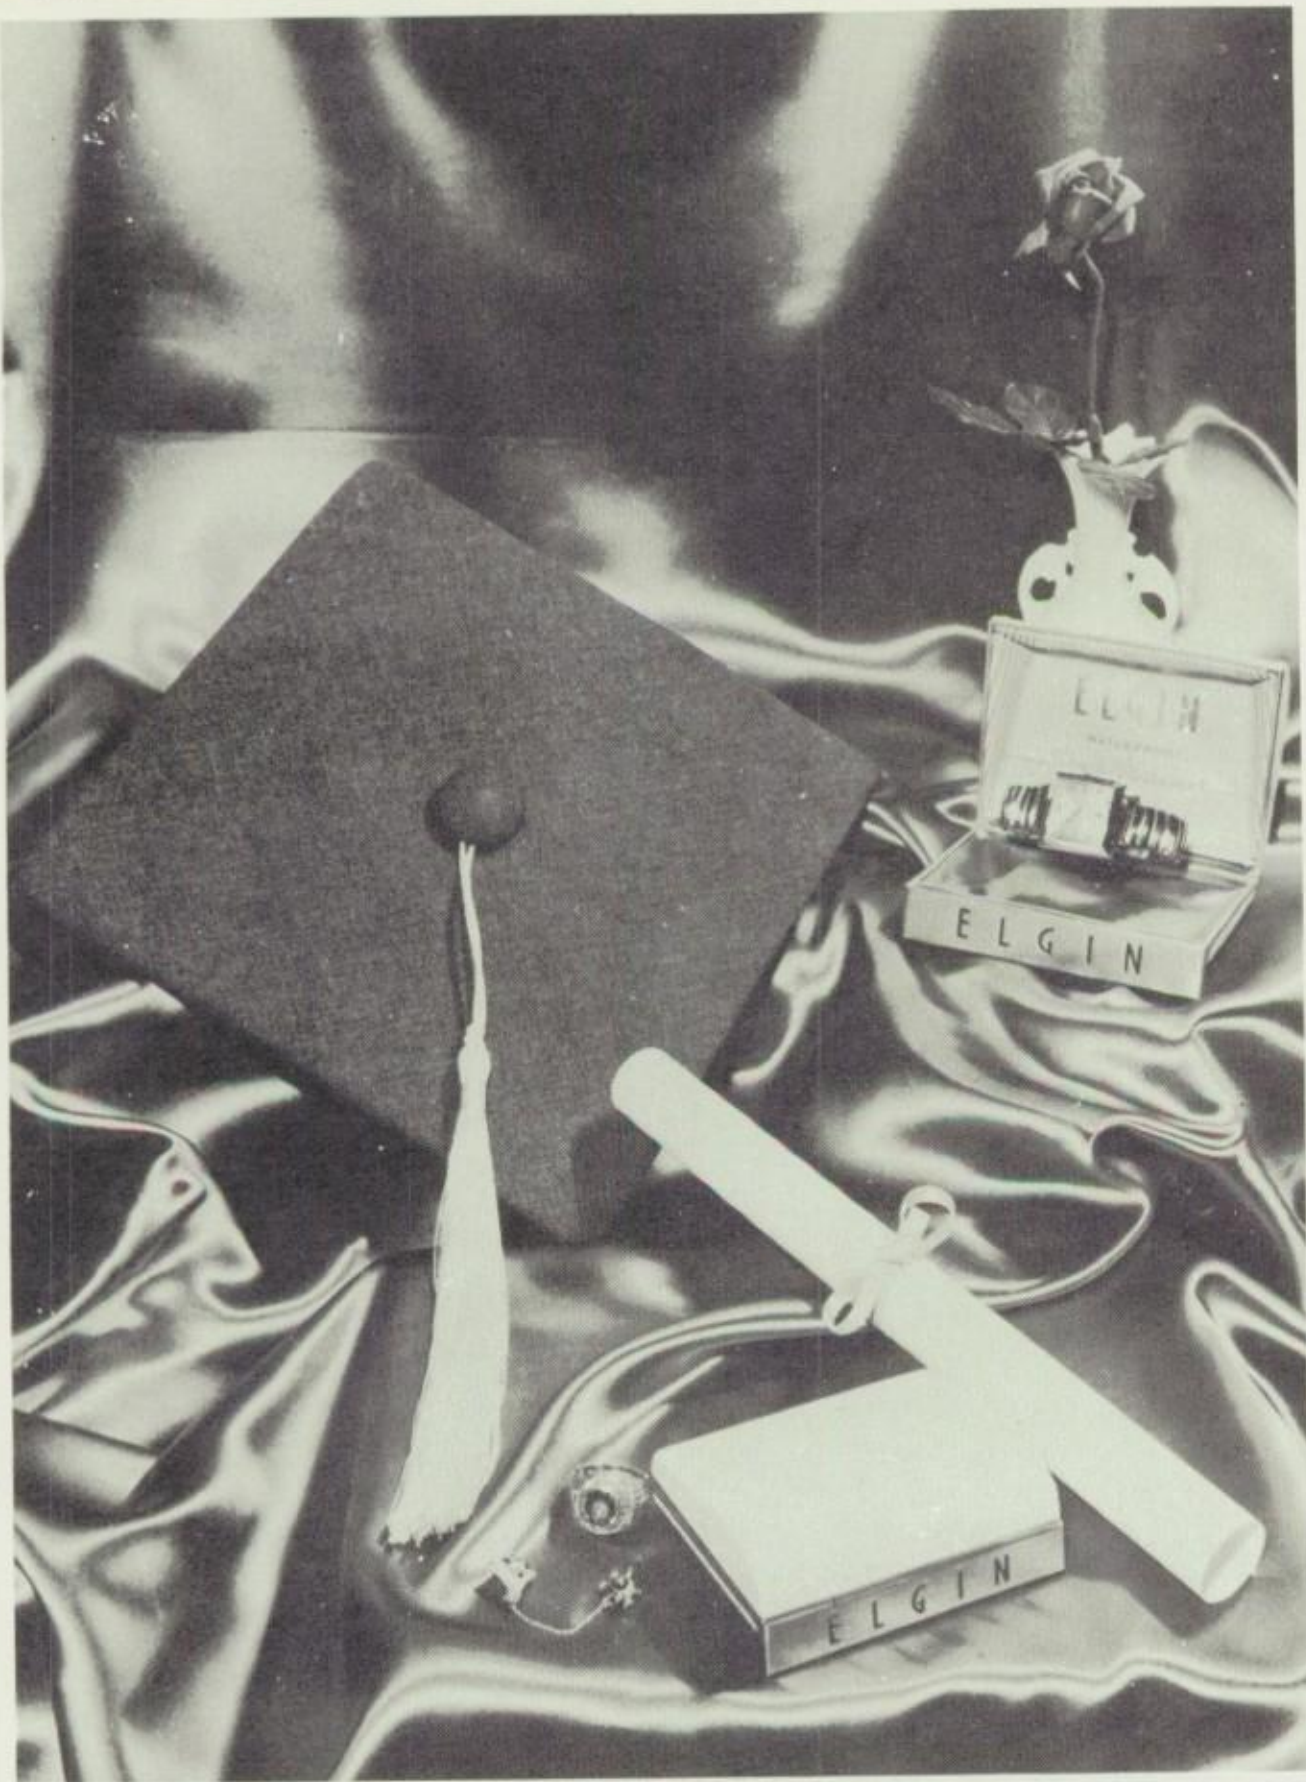

59

To a very gracious teacher we dedicate this 1959 Oriole. She has helped us through high school and eighth grade, and many can remember her as their teacher in country school. She has provided much help for us throughout our school years and has always been ready and willing to help us with any of our problems whenever we needed it.

Many of us will remember her as one of the best teachers of our school days.

Mrs. Gibson, we are proud to dedicate this 1959 Oriole to you.

Seniors Exert Seniority

Oh to be a Senior!!!

Now really, is all this necessary??

Ahem!!!

The Seniors started their last year off by getting the Freshmen off to a good start in their first year of high school.

Many comic strip characters were seen around the school that day, bowing to the Seniors and the line "Most Honorable Senior" the favorite to our ear. Popeye, Superman, Aunt Jemima, and Elmer Fudd were just a few of the characters portrayed.

In the evening, we proved we weren't so bad after all by giving a party in their honor. Entertainment was provided by the Freshmen as they were put through different stunts for Truth Or Consequences. Dancing, refreshments and fun for all comprised the rest of the evening, and the Freshmen decided it wasn't so bad after all.

Saints And Be Gory!

On March 20, 1959, the Sophomores presented the high school with a St. Patrick's Party. Everyone not wearing green was set to work seeing who could blow the biggest bubble. Entertainment was furnished by the men teachers with a hula-hoop contest; a skit by Sandra Jones, Gerald Burkhardt, Raymond Fuller, and Linda Needham; and David Cool pantomimed "I Haven't Been Home For Three Whole Nights!" The rest of the evening was spent with dancing, refreshments, and lots of fun for all.

Students Recognized

On April 3, 1959 the 2nd Annual Recognition Banquet was held in the school gym. Awards were handed out for Football, Basketball, Cheerleading, and Music. Eugene McWhirter, President of the Student Council, presented the trophies, won by the Basketball and Football teams and the Band, to the school. The trumpet trio, clarinet trio, and clarinet quartette furnished music throughout the program. The evening was enjoyed by the large crowd that attended.

Junior-Senior Banquet

The Junior-Senior Banquet proved to be a great success. The Juniors did a wonderful job decorating the school lunchroom in the theme, "Oriental Gardens." The colors, red and white, were carried out in the streamers that adorned the walls and ceiling. A huge dragon watched over the festivities at the south end of the room. The Banquet table carried out the Oriental theme. A delicious meal was prepared and served by the Junior Mothers. The Juniors presented a program following the Banquet consisting of a musical pantomime by four Juniors and the reading of the Senior Will and Prophecy.

The Prom was held with Max Jontz and his Orchestra furnishing the music. A movie, "Glory", was enjoyed by all who could stay awake. Breakfast was then served at the Countryside Restaurant after which a tired but happy group returned to their homes for a good day's sleep.

Skip Day

On May 7, at 12:00 p.m. the Seniors left for Kapilana Beach in the Ozarks by their favorite means of transportation, the school bus. After many Dairy Queen stops we arrived at All States Village in Columbia, Missouri. That evening we spent as we pleased.

Next morning, bright and early, we hit the road again. We stopped at Jefferson City to see the Capitol and the prison, where none was left behind.

After lunch we arrived at Kapilana Beach. The rest of the afternoon was spent swimming, boating, exploring the beach, meeting new friends, and just plain messing around.

That evening we were picked up on our beach along with other groups by the excursion boat, the Larry Don, where we spent the next two hours dancing and getting acquainted. Upon returning to our beach we had a weiner roast, where we stuffed ourselves with hot dogs, marshmallows, and pop.

We then returned to our cabins for a good night's sleep!?!?!?

The next morning we went through the Ozark Caverns, visited Dog Patch, and shopped until dinner time.

We spent the afternoon as we pleased, which included renting two speed boats, which proved to be a lot of fun.

That evening we went to the Ozark Opry, which was enjoyed by all.

Another weiner roast was held upon returning to the beach.

At 7:30 Sunday morning a very tired group started out for home. We had a picnic lunch, prepared by the resort, at a roadside park. We arrived home at 4:45 p.m. with a grand time to remember for years to come.

Homecoming Coronation

Our Homecoming was a real success this year. The Bulldogs came through victorious over Le Grand and the Queen and her attendants looked lovely in their formals.

The night before, the spirits of everyone had been aroused at the Pep Meeting which ended by throwing Le Grand in the bonfire.

At the half-time the Field was darkened. The band lined up at the end, taps were played and as reveille was played, flashlights came on showing where the band was.

The band formed a heart and as they played "Girl Of My Dreams" the girls came on the field in a white convertible.

After a crisp fanfare, Captain Eugene McWhirter crowned Carol Johnston 1958 Homecoming Queen. Her attendants were: Senior Judy Warner, Junior Clarice Kanne, Sophomore Linda Johnston and Freshman Judy Dee. Marianne Messersmith and Ronna Meyer were Crown-bearers and Co-captain Denny Jontz presented Carol with a beautiful bouquet of red roses. Queen Carol and her court then reigned over the rest of the game.

The dance climaxed a perfect evening with Max Jontz and his orchestra providing the music.

CONGRATULATIONS SENIORS

The future belongs to those who plan for it. There is no better time to start your future than right now.

Maytag's present position in the industry was not by accident, rather by sound, long range calculation. Result: The largest independent producer of home laundry equipment.

Maytag's automatic washers, dryers, freezers, wringer washers and ironersand now the COMBINATION are the result of continuous research.

We hope we can number you among the next owners of Maytag quality appliances.
